Re attached report "Activities of A.A.Beiko".

With reference to the attached reort the following information has been obtained by Enquiries:

In the report there is a mistake in spelling of the person who has been made subject of the report, the correct name is BEIKO Alexander Alexandrovich,born 1897 in Odessa,Russia,Ukranian.Residing at 135 Rte. Grouchy tel. 71464.Wife:Sophia(b.1905),son:George(b.1930).Arrived at Shanghai from Tsingtao on 1-8-1945.Formerly he was a colonel in the troops of ataman Semenoff and together with Ata. Semenoff evacuated from Russia to China.On arrival from Tsingtao he opened together with his brother SOKOLSKY-BEIKO Pawel Alexandrovich(who has made allegations mentioned in the attached report) amusical publishing company, but later both brothers had some disagreement between themselves which developed intobitter quarrel over their property(they both also own a house at 135 Rte. Grouchy) and the case was heard in Court.

Enquiries re political tendencies of A.A.Beiko failed to discover anything incriminating and it is thought that his brother P.A.Sokolsky(in the attached report a mistake was made in spelling-Lokolsky) because of the grudge between brothers could havemade an above report alleging A.A.Beiko to be involved in political activities.

Observation will be kept on activities of A.A.Beiko and an additional report will be forwarded if any information of interest will be obtained.
